

### **What are the Priorities?**

The goal of this exercise is to review and evaluate the current condition of *YOUR* Chapter at home; think about the strengths and weaknesses. Also, think about your own abilities to deal with these challenges.

One of the goals is to have you leave this session with a clear understanding of what needs to be done to help your Chapter grow and prosper. In order for that to happen, you need to know what needs to be done first!

Please rank the following subjects based on the situation in your HOME Chapter. Place a "1" in front of the item which you feel is the MOST IMPORTANT and continue ranking the listings to "15", the LEAST IMPORTANT need of your Chapter:
