

Dear Parent,

Your son has been invited by our organization for membership in the Order of DeMolay.

DeMolay is a wholesome youth fraternity designed to help young men learn business and social skills while having lots of fun and building lasting friendships. In DeMolay your son will learn things like budgeting, organization, public speaking, and communication skills. Integrity, responsibility, honesty, patriotism, respect for parents and diligence are all traits that are nurtured, encouraged and held in high esteem in DeMolay.

You and your son are invited to our **“DeMolay Joining Ceremony”** on Sunday, \_\_\_\_\_, 2015, beginning at 2:00 p.m., where you and your son will learn about DeMolay and become part of this premier International Youth Organization.

Membership in Missouri DeMolay is an honor, as we require that a young man be recommended and of good morals and character.

Warmest regards,
